Dear Mr. Woollett:

Re:

Proposed Annexation No. 10 to the
City of Temple City

At the meeting held August 11, 1965, the County Boundary Commission reviewed the boundary description and map submitted by Mr. Karl Koski with his letter filed July 28, for the proposed annexation of territory to the City of Temple City.

The boundaries submitted conform with record lines and existing city boundaries. No island of unincorporated territory is created by the boundaries. However, a corridor of unincorporated territory, possibly illegal, is created by the boundaries of this proposed annexation along Eaton Wash north of Elm Avenue.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty in accordance with Section 35002 of the Government Code. With these revisions the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are attached.

Very truly yours,
